

## Foodservice & Catering Solutions

Whether it is for sauces, marinades and spices or cordials and milkshake syrups, our packaging solutions are ideal for the foodservice and catering sectors.

Our bulk food containers are robust and compact to optimise storage space and eliminate the risk of broken glass in your busy kitchen. The range has been specially designed with convenient handles, easy open closures and anti-glug features to prevent spillage.

Choose from our generic range or let our design experts create something unique for your brand.

### Decoration to stand out:

- IML (In-Mould Labelling)
