

## Paint, Coatings & Industrial Solutions

Whether it is for paint, waterproofing, varnish, sealants or primers, we know that protecting your product is essential to guarantee your quality promise. Our packaging is specially designed to be robust, airtight and lightweight making it efficient and safe to transport and display. The user friendly design ensures easy emptying without dripping, and the easy-to-open lid gives an audible click as reassurance of correct re-closure. The tamper evident tab is childproof yet adult friendly.

### Decoration to stand out:

- In-Mould Labelling
- Offset Print
- Different finishes available

### Optional Lids:

- Gasket & Pull/Pour
- Osmosis Insert

### Key Benefits:

- Lightweight and robust
- User friendly carrier handle
- Good seal with tamper evident tab
- Easy to open and pour
- Lid reseals securely to prevent wastage
- Compact to stack and display
- Optimised for storage, handling and transportation
- Available in various sizes
- Wide choice of high quality decoration options

### Colours:

- Standard white
- We can also match your colour requirement

### We also offer:

- Customised designs
- Relevant testing services
