

HALF & STANDARD DAIRY CRATES

**DAIRY
STANDARD**

**DAIRY HALF
STACK/NEST**

DAIRY HALF STACK/NEST

- 40% space saving when nested.
- Compatible with standard dairy crates.
- Doubles as a quarter crate.
- Stack-lock stability.
- Superior ventilation.
- Half-crate with divisions, accommodate: 20x 150, 175 & 250ml cups or 12x 500ml cups
- Customised to your corporate specifications.

SPACE SAVINGS WHEN NESTED

50% more Dairy Half-Crates per square metre of floor space when nested. (Stacked 10 high = 66 crates per sq.m. Nested = 99 crates per sq.m.)
