

## Long Life Solutions

Ambient shelf stable dairy products are a huge opportunity in a market where there is a lack of refrigeration in transit, in store and at home.

Whether it is long life plain or flavoured milk, drinking yoghurt or dairy blended juice for individual enjoyment or for family sharing – we have the pack to give your brand long life!

Our **DairySteri** range is designed for high heat and high pressure retort processing. The optional overcap means consumers can securely re-close the bottle after opening, to enjoy later.

Our tantalising decoration options include glossy shrink sleeve with outstanding shelf impact.

### Optional:

- We are capable of supplying UHT packaging

### Filling Machines:

- Our expert team provides on-site technical support and offers filling equipment on a rental basis

### Decoration:

- Shrink Sleeve
- Self-Adhesive Label

### Colours:

- Available in white, cream or natural. We can also match your colour requirements

### Closure (38 mm):

- Steri Overcap  
– Wide range of colours

### Key Benefits:

- Rigid design for autoclave
- Tamper evident foil seal
- Overcap option to re-close
- Impactful shrink sleeve decoration
- Safe to freeze
- EU Food Safety Compliant
- Single material for easy recycling
- Broad range of standard shapes and sizes
