

Value Added Dairy Solutions

Whether it is for drinking yoghurt, milkshakes, cream, buttermilk or traditional fermented milk such as maas, we have it covered. Even solutions for traditional non-alcoholic fermented maize beverages, such as plain or flavoured mageu.

Our packaging for value added dairy takes into consideration the need for convenience, various portion sizes and top end decoration with the option of glossy shrink sleeve for outstanding shelf impact.

Choose from our generic range or let our design experts create something unique for your brand.
