

Teachers Plus Directors

Wayne Lategan

Production Planning Manager
Polyoak Packaging

The Wonderful thing about the 10% equity-into-education system is that our customers also get to help young South Africans to a better education by doing business with Polyoak

Ernest Moore

Principal Liaison
Partners For Possibility

We tend to focus on the financial relief and improved quality of life a graduate brings to their immediate family, and overlook the window of hope and possibility that they bring to the youth within a broader community.

Fatima Jakoet

South African Airways

At Teachers Plus We strive to connect and empower communities through our programmes and the vision to build a great future for generations to come.

Suzanne Dingley

Executive Strategy
Polyoak Packaging

We are happy to take the average academic child, who is often overlooked, and give them a chance.

Teachers Plus Administration and Management

Cindy Qekeleshe
Administrator

We are adding value to people's lives. We are improving teaching in South Africa. Together we can change the world!

Brenda Elshove
Manager

Teachers Plus brings excitement, passion and a sense of possibility to the teaching of Mathematics and Accounting in South Africa. We empower and produce great teachers who understand the content of the work that they are teaching and have passion and the expertise for sharing this.
